VERSION 8.0.3

August 2023

Description

The release notes are grouped by classification, with modules in the same order as the new menu for ease of reference. The menu path and specific menu names are indicated in *Italic*.

Enhancements

Consumer Debtors

System Parameters > Global > Miscellaneous

An option has been added for a user to select if multi owners details should be displayed on printed documents. If 'Y' then all owners' full names will be displayed. If 'N' then the initials and surname will be displayed.

Consumer Enquiries/Statements

Multi owners names are displayed according to the set parameter.

Feature Requests

Supply Chain Management

The Preferential Procurement Regulation 2022 (PPPFA) changes as announced by National Treasury for Supply Chain Management scoring criteria have been implemented. The 80/20 points rule is applied as follow:

- A maximum of 20 points may be awarded to a tenderer for a specified goal for the tender.
- The points scored for the specified goal is added to the points scored for price and the total is rounded off to the nearest 2 decimals.
- Subject to section 2(1)(f) of the Act, the contract must be awarded to the tenderer scoring the highest points.

Operational

Consumer Debtors

Reports > Agreements Report

The Agreement Register displays the Informative Agreement information for short term and long term.

Reports > Payment Report

The Settlement Summary Report Type includes settlements per ward, per type of service.

Cash Book

Enquiries > Cash Book Enquiry

Additional information relating to traffic transactions will be displayed when drilling down on the specific transaction line.

Registers

Loan Document Capture

A specific Bank Account can be selected for Loan Repayment transactions.

Deployment Schedule

Munsoft version 8.0.3 will be released from 7 August 2023.

The Munsoft release version is visible on the Munsoft Login screen.
